Dr. Sachin B. Dudhe, Principal, M.I.P.B., Betala

Ref. No. :- MIPB/4643/Feedback/_____

Date :-

*** INSTITUTE CODE DTE 4643, PCI 3122, UNIVERSITY P253, MSBTE 1987 ***

Feedback from employers

From the analysis of employer feedback AY 2023-24 it has been observed that we have less number of interactive sessions with industrial organizations and addition of subject related to current industrial practices and technology. So it has become foremost need to organize more number of activities and industrial meets in upcoming semester.

Also it has been observed that industrial organization heads are satisfied with the events organized by institute mutual benefits as well as training requirement is taken into account on important basis which is appreciated by industry personnel.

It has been observed that academic and placement related activities are conducted as per the need of Industry. So college has decided to carry same in coming years to enhance industry institute interactions,

Suggestions from employers	Action taken
Current Industrial practices	The institute has planned and communicated with various industrial resource persons to guide our students
Entrepreneurship's enhancement	Startup cell has been established and pharm entrepreneurs are guiding and mentoring our students for the same
Industrial insight to students	The institsite has put thrust on increasing the industrial visit of students to various pharma industries
