Action taken report

On stake holder feedback in the A. Y. 2023-24

Feedback from stakeholders

The institute has structured feedback mechanism to obtain feedback from internal and external stake holders through various programs.

Feedback from students

From the analysis of the students feedback taken in A Y 2023-24 and it has been observed that students are satisfied with the syllabus overall teaching learning process as well as happy with appropriateness of proportion of weightages given to internal assessment and term end assessment modules. Students also appreciated with appropriateness of number and type of experiments in practical course.

Suggestions from students	Action taken
Addition of physical fitness related topics.	As per the suggestion institute has planned for coaching's for various fitness camps through NSS activity in the AY 2024-25.
Drug information	We planned for guest lectures on drugs information under co-curricular activity
Computer	We planned for some guest lectures on computer application through co-curricular committee.

Relevant Practical knowledge

We planned for Industry visit for giving practical knowledge to the students.

Industry relevance topics, technique concepts. Current scenario

We have planned for guest lectures on topic comprising of CGMP. We have established a startup sell for fostering entrepreneurship and industrial institute to the students as a part of SPPU initiatives:

Department will monitor and interpret about the same and will take the action as required.

Feedback from employers

From the analysis of employer feedback AY 2023-24 it has been observed that we have less number of interactive sessions with industrial organizations and addition of subject related to current industrial practices and technology. So it has become foremost need to organize more number of activities and industrial meets in upcoming semester.

Also it has been observed that industrial organization heads are satisfied with the events organized by institute mutual benefits as well as training requirement is taken into account on important basis which is appreciated by industry personnel.

It has been observed that academic and placement related activities are conducted as per the need of Industry. So college has decided to carry same in coming years to enhance industry institute interactions,

Suggestions from employers	Action taken
Current Industrial practices	The institute has planned and communicated with various industrial resource persons to guide our students
Entrepreneurship's enhancement	Startup cell has been established and pharm entrepreneurs are guiding and mentoring our students for the same
Industrial insight to students	The institsite has put thrust on increasing the industrial visit of students to various pharma industries
