INSTITUTIONAL STRATEGIC GOALS

The college has an internal organization structure that has involved various bodies and committees which will support the growth and development of the institutions. A review is taken about the implementation and outcome of the respective plan this has been achieved by following various strategies in the below. The following are the salient features of the institutional strategic plan:

- Enhancement of R&D infrastructure.
- To encourage innovation, creativity, research and experiment and to mimic thoughts and ideas, we give freedom for students and faculties.
- To focus on high quality education and research from the faculty members and scholars.
- To establish a research laboratory, central instrumentation and analytical facility.
- Continuous internal quality assurance system ensuring effective governance.
- Support employee advancement and welfare and their financial planning and management.
- Focusing in Constant growth in research and development alumni interaction and other activities & Organize FDPs and Internal Training Programs.
- Promote health awareness programs through NSS.
