Minutes of Meeting

Date - 15/12/2023

Time - 2:00 pm

Location - Conference Hall, MIT, Batala Barampora

Attendees: Dr. S.B. Dudhe, Dr. A.G. Borogade,
Prof. R.M. Shrivastava, Prof. C.R. Deyar, Prof. N. Bhatnagar,
Prof. S.D. Mahajan, Prof. P. Dargatz, Prof. P.R. Chutke, Prof. S. Vasudeva
Absent: - NA

The chairman Dr. S.B. Dudhe occupied the chair and welcomed the members for the meeting. Following business were discussed during meeting

Agenda - I - Regarding PCT Portal Data Filling
Discussion Points:-

Data submission deadline:-

The committee discussed the need to ensure that all data related to the PCT (Pharmacy Council of India) portal is updated and submitted properly. The deadline for data filling was emphasized, with a clear target date for completion set for 15/12/2023.

will be held to track the progress of data collection and filling.

Next step:-

- Team members will start the data verification process immediately.
- Progress review meeting will be held in a week to ensure timely completion.

Agenda - II:- Regarding Conduction of End Semester Examination for B.Pharm and M.Pharm first semester (Winter 2023-24)

Discussion Points:-

* Examination Schedule:-

- The schedule for the upcoming end-semester examination for B.Pharm and M.Pharm first semester (W2023-24) was reviewed.
- The examination dates were confirmed.
- A final examination time table will be published on the official notice board.
- * Examination centre & resources:-
- The examination venue was confirmed and the necessary resources (ex. seat arrangement, invigilator) will be arranged.

Action Required

It was decided that a dedicated team will be assigned to verify and update the necessary details on the PCT portal. This will include academic infrastructure, faculty and student data.

Process and Responsibilities

- A liaison person will be appointed to oversee the data collection and review process.
- Department heads will be responsible for confirming faculty and student details ensuring accuracy in the data provided.
- IT support will assist in ensuring the proper functioning of the portal and handling any technical issues that may arise.

Challenges Identified:-

Some concerns regarding the timeliness of data submission, especially from the department, were raised. It was agreed that regular follow-up will

- Faculty and invigilator training will be conducted to ensure smooth conduction and fairness in the examination process.

* Hall tickets and ID verification:-

The process for issuing hall tickets was discussed. Students will be notified to collect their hall tickets. ID verification procedure will be outlined for students before the examination.

* Student Support:-

To assist students during the exam period, counselling services and technical support will be made available (if required).

Next step:-

- The examination schedule and details will be shared with students by 15/12/2023.
- Faculty will begin preparation for the exam, ensuring that all necessary materials and resources are ready.

Agenda - 1st Term with the permission of Chair.

Resolution:

As there were no issues for discussion. The meeting was concluded with vote of thanks.

Annual Report 2023-24

Internal Quality Assurance Cell (IQAC)

Maharashtra Institute of Pharmacy (B. Pharm.), Betala, Bramhapuri

Introduction

The Internal Quality Assurance Cell (IQAC) at the Maharashtra Institute of Pharmacy, Betala, Bramhapuri, is committed to fostering a culture of excellence in education, research, and community engagement. In A.Y. 2023-24, IQAC continued its mission of enhancing institutional quality by implementing strategies for continuous improvement in academic, administrative, and infrastructural domains.

Vision and Objectives

The vision of the IQAC is to instill a culture of quality and excellence in every aspect of the institution's functioning. The core objectives for A.Y. 2023-24 were:

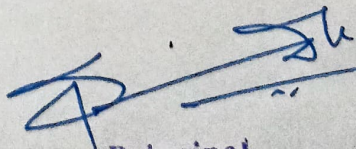

- Strengthening teaching-learning methodologies.
- Enhancing research output and collaborative initiatives.
- Promoting student-centric activities.
- Ensuring infrastructural and technological advancements.
- Supporting faculty and staff development programs.

1. Academic Excellence

- Curriculum Delivery: Ensured effective implementation of the B. Pharm. curriculum as prescribed by the Pharmacy Council of India (PCI). Incorporated innovative teaching methods like flipped classrooms, case studies, and virtual simulations.
- Student Performance: Monitored academic results and provided remedial coaching to underperforming students. Pass percentages improved by 10% compared to A.Y. 2022-23.

2. Research and Development

- Encouraged faculty and students to engage in research activities. Published 10+ research papers in national and international journals.
- Organized workshops on research methodologies and intellectual property rights (IPR).
- Initiated collaboration with pharmaceutical industries for research projects and internships.
- 3. Infrastructure and Technology**
 - Upgraded laboratories with modern equipment and instruments to support advanced practical sessions.
 - Introduced Learning Management Systems (LMS) to facilitate online learning and resource sharing.
 - Established a new digital library section, adding 500+ e-books and journals.
- 4. Student-Centric Activities**
 - Conducted professional development programs, including personality development workshops, resume-building sessions, and mock interviews.
 - Organized inter-college competitions like pharma quizzes, poster presentations, and model making.
 - Celebrated National Pharmacy Week with a series of seminars, health check-up camps, awareness rallies and community outreach programs.
- 5. Faculty Development**
 - Arranged Faculty Development Programs (FDPs) focusing on innovative teaching strategies and recent trends in pharmaceutical sciences.
 - Encouraged faculty participation in national and international conferences and workshops.
- 6. Accreditations**
 - Obtained NAAC accreditation in A.Y. 2023-24 with B+ grade and CGPA score of 2.64
- 7. Community Engagement**
 - Held health awareness camps in rural areas focusing on diabetes, hypertension, and proper medication use.
 - Conducted free distribution of essential medicines and consultations in collaboration with local healthcare providers.

- Participated in government programs like Swachh Bharat Abhiyan and Meri Matti Mera Desh

SWOT Analysis

- Strengths: Strong faculty team, well-equipped laboratories, and focus on holistic student development.
- Weaknesses: Limited industry linkages and funding for large-scale research projects.
- Opportunities: Scope for industry-academia partnerships, government grants, and consultancy projects.
- Threats: Increasing competition from new pharmacy colleges in the region.

Goals for 2024-25

1. Enhance alumni engagement for networking and resource sharing.
2. Expand research collaborations with reputed institutions.
3. Introduce certificate more courses in emerging areas like pharmacovigilance, pharma coding and clinical research.
4. Strengthen placement cell activities to achieve higher placement rates.

Conclusion

The IQAC at Maharashtra Institute of Pharmacy, Betala, Bramhapuri, remains steadfast in its pursuit of academic and institutional excellence. The initiatives undertaken in A.Y. 2023-24 have laid a strong foundation for future growth. With continuous efforts and support from all stakeholders, the institute is poised to achieve greater milestones in the years to come.
