Gender Equity Policy

Gender equality is a human right and the Maharashtra Institute of Pharmacy has formulated a gender equality policy to make sure that every single member of college enjoys it. The policy focuses on equal access, opportunities, and rights for men and women. All staff members and students are accountable for the implantation of the principles and standards in this policy:

- Staff members and students in the college are expected to treat others with respect at all times.
- The college provides opportunities for staff members and students to participate in learning opportunities that enable them to adopt good in maintaining gender equality.
- The college provides an inclusive learning environment for both genders.
- The college operates fair and transparent procedures for student assessment, progression, attainment of awards, and involvement in other college activities.
- The policy confirms that staff members are offered equal opportunities within employment. Recruitment, selection, and progression are determined only by merit.
- The college provides fair and accessible opportunities for the training and promotion of staff without gender discrimination.
- The college seeks to increase the number of female students and female faculty members on the campus.
- The Principal / the Vice-Principal / the Deans the Heads of the Departments actively promote gender equality at all levels of academic and administrative work.
