7.1.11 Institution Celebrates / Organizes National And International Commemorative Days, Events And Festivals

The college believes in celebrating events and festivals in college. It is an integral part of learning and building a strong cultural belief in a student. The College makes tremendous efforts in celebrating the national and international days, events and festivals throughout the year. The college is in favor of commemorating festivals and events on campus. It is essential to education and the development of a student's strong cultural beliefs. Throughout the year, the College works very hard to celebrate national and international holidays, festivals, and events. We commemorated several holidays during the 2023–2024 academic year, including World Environment Day, International Yoga Day, Independence Day, Republic Day, Ganesh festival, annual day, pharma youth festival, and the birth anniversaries of Swami Vivekananda, Mahatma Gandhi, and Dr. Sarvapalli Radhakhishnan. All of these events are planned by the institution during the school year. Every one of these festivals, commemoration days, and anniversaries has grown in importance and aids in the development of today's youth. The significance of national holidays and celebrations serves to educate and remind people of the history and cultural legacy of our nation.
