7.3.2 Future Plans of action for the next academic year.

Maharashtra Institute of Pharmacy studies vision to strive continuously for excellence in Management education with global leadership qualities and entrepreneurial skills to make a significant contribution to nation-building & cater to the needs of society with the following future plan of action for the next academic year;

1. Strengthen formal feedback from students for quality improvement and analytic evaluation of teachers for improvement in the quality of teaching.
2. More scholarships / free studentships to be provided to economically and socially disadvantaged students.
3. To work on good Placement and Career opportunities for students.
4. Increase in the number of courses and intake in both UG and PG.
5. To make up 60 % of faculty with Ph.D. qualifications.
6. Strengthening the Alumni database & their contribution at the departmental level.
7. Conducting programs to encourage and support students to start their business ventures.
8. Expansion of the college's central library, increase the number of books and research Journals and strengthen the e-library.
9. To ensure a Clean, Green, plastic-free, Junk food-free & Tobacco free campus & make the campus eco-friendly.
10. Improvement of University Results and securing more university ranks every year.
11. To promote Research activities like Writing Research papers, publication of Research papers, and books, and implementing more Experiential Learning activities.
12. To promote International Collaboration for academic Interaction and Research Resource exchange
13. To create an Incubation Centre for encouraging students and supporting students to start their business ventures
